

Gunner's Dog House

brake-fast®
DOG FOOD BOWLS
"Slows the Chow Down"

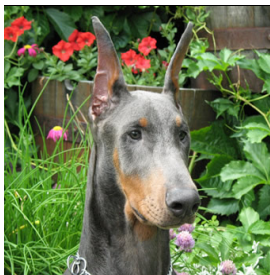

Which Bowl is Right for my dog?

The Large brake-fast serves Giant breed dogs; Mastiff, Great Dane, St. Bernard, and others
The Medium brake-fast provides for most dog sizes of Beagle to Bernese Mt. Dog
The Small brake-fast works well for Daschunds, toy breeds, 'flat-face' dogs, and cats.

brake-fast® dog food bowl's patented design prevents your dog from bolting their food. The simple obstructions make dogs slow down to eat and aggressive eaters will find the bowl (My FOOD!) sliding away.

- Helps reduce the risk of [Gastric Dilatation-Volvulus \(GDV or 'Bloat'\)](#)
- [Slower eating](#) makes an animal feel more full and reduces instances of 're-eating'
- Veterinarian tested and recommended
- Works with kibble or canned food
- Elegant, no-tip shape
- Durable, dishwasher safe plastic
- 5-cup [Medium](#) size ([Large](#) and [Small](#) Now available!)
