

# Gunner's Dog House RUBBER SQUEAKERS

## ISQUEAKS – BALLS, BONES, BOWLING PINS AND BIRDIES!!!

Durable rubber squeaky toys hold up to tough play. Made with safety-tested non-toxic paint. Include a squeaker for added entertainment. Great for interactive play. Long lasting toys are fashioned of thick-walled heavy duty rubber and finished with a long-winded squeaker. These tough rubber toys were developed for and by pet owners in order to provide a superior outlet for interactive fun between dog and owner, as well as for the play and exercise of the dog by itself. Pliable, resilient natural rubber has proven itself to be the best material to satisfy the dog's normal craving to chew.

Gunner's Dog House

172 Calder Road, St. Andrews, Manitoba, R1A 4E3
