

Gunner's Dog House

This toy was created for those ball-crazed dogs that just can't get enough. Heavy-duty dog toy is made from high-density plastic and is available in four sizes. Guaranteed to be almost indestructible. The larger Push and Play dog toys come with a screw plug where you can add gravel, sand, or water to heighten the excitement or challenge the play. By changing the weight or sound of this toy it will increase the drive in your dog to push this toy more to find out where the sound is coming from. You can drill a hole in the Push and Play and plug it with dog treats to make it a great outside, treat-dispensing toy. Push-N-Play is available in four sizes and comes in assorted colors

The Push-n-Play™

The Push-n-Play™ is made for the enjoyment of all canine companions. This ball is made using durable high density plastic and is available in five sizes. It's perfect for any dog! The larger 10" and 14" balls can be filled with water, sand or gravel.
